

MATERIAL SAFETY DATA SHEET

Section 1. Product Identification

Product name : Duflex
Type : Arcylic Paint
Manufacturer's name : Durachem Company Limited
24/9 Moo 3 Soi Kaisadawat, Dheparak Road, Bangpla,
Bangplee Samuthprakarn THAILAND 10540
Call (662) 312-1719-20
Fax 02-750-7576

Section 2. Hazardous Material Identification

Hazardous Component	OSHA (PEL)	ACGIH (TLV)	OTHER CAS #	Vapor pressure (mm Hg @ temp.)	Weight (percent)
* Tetrachloroisophthalonitrile (40.4 % wt.)	No Est	No Est	1897-45-6	N/A	0.5

* Indicates toxic chemicals subject to the reprotion requirements of section 313 of Title III and of 40 CFR 372

Section 3. Health Hazard Data

Emergency Information

Health Hazards

Eyes : Possible irritation
Skin : Possibly irritating to eyes
Ingestion : Possible irritation to digestive tract
Inhalation : Non - irritating

Section 4. Emergency and First Aid

Eye Contact : Immediately flush eyes with clean water for 15 minutes. If irritation prissiest, Get medical / Phrygians Help
Skin Contact : Rinse skin with clean water. Apply skin cream if irritation results.
Inhalation : Remove to fresh air
Ingestion : Immediately drink large quantities of water, do not induce vomiting. Get Medical Attention Immediately

Section 5. Fire & Explosion Data

Extinguishing Media : Foam, alcohol foam, CO, dry chemical
Special fire fighting procedures : Closed container may rupture it exposed to heat use water to container.

Section 6. Emergency Disposal Control

Environmental protection : Keep the container in controlled area. Protect chemical from public soil and water.
Cleaning : Cleaned the left chemical with sand or nonflammable solution
Keep container closed when not in use and put the warning label

MATERIAL SAFETY DATA SHEET

Section 7. Precautions for Safe Handling & Use

Usage warning : Keep out for eyes and skin
Precaution to be taken in Handling and Storage : Do not allow product to freeze. Keep container closed when not in use. Keep product out of the reach of children.

Section 8. Control Measure

Flash Point : None
Unusual Fire & Explosion Hazards : Dose not flash, does not burn
Personal protection : Chemical goggles with side shields.
Clothing or Equipment : Rubber or neoprene Glove

Section 9. Chemical Properties

Color : White and Other*
Viscosity : 115-120 KU @ 25°C / 77°F
Solid Content : 63% ± 1 by weight
pH : 8.5 ± 0.5
Specific Gravity : 1.2 ± 0.1
Hardness : 60-80 Shore A

Section 10. Stability / Reactivity

Chemical Stability : Stable under recommendation storage
Conditions to avoid : High temperature, Excessive heat

Section 11. Toxicological Information

General : N/A

Section 12. Ecological Information

Eco-toxicity : The product is not environmentally toxic. It is not dangerous to plant and aquatic environment.
Environmental effects : The product is not thought to present any significant environmental hazard.

Section 13. Waste Disposal Method

Dispose of waste in an authorized waste disposal facility in accordance with local. State and federal regulation.

Section 14. Transport Information

Not classified as hazardous under transport regulations.

MATERIAL SAFETY DATA SHEET

Section 15. Regulatory Information

Not classified as hazardous for supply. No statutory label required.

*Note The regulatory information given above only indicates the principal regulation specifically applicable to the product described in the safety data sheet. The user's attention is drawn to the possible existence of additional provisions which complete these regulations. Refer to all applicable national, international and local regulations or provisions.

Section 16. Other Information

Technical Contact Number : Durachem Company Limited
Call (662) 312-1719-20
Fax 02-750-7576
